[M-Series Headphones in Studio Pack Bundles](#)

ATH-PACK4 and ATH-PACK5 are convenient headphone solutions for both project and commercial studios alike.

The ATH-PACK4 Studio Headphone Pack includes one set of ATH-M40x Professional Monitor Headphones and three sets of ATH-M20x Professional Monitor Headphones (suited for mixing and tracking, respectively). The ATH-PACK5 Studio Headphone Pack includes one set of ATH-M50x Professional Monitor Headphones and four sets of ATH-M20x headphones.

[AT-LP3 Fully Automatic Belt-Drive Turntable](#)

The Audio-Technica AT-LP3 provides fully automatic operation for 33-1/3 or 45 RPM – simply push the “Start” button and the AT-LP3 plays the record, and the tonearm returns to its armrest when the side is done playing. A hydraulically damped lift control also facilitates manual operation. The AT-LP3 comes with a pre-mounted AT91R Dual Moving Magnet phono cartridge for exceptional high-fidelity reproduction.

[Next Generation SONICFUEL Headphones](#)

Audio-Technica announces four SonicFuel headphones that combine outstanding value with simple yet sophisticated design and best-in-class sound quality. The new on-ear **ATH-AR3BT** wireless headphones with Bluetooth® technology, on-ear **ATH-AR3iS**, in-ear **ATH-CKR50iS** and in-ear **ATH-CKR30iS** incorporate newly developed technologies to offer improved sound and performance at their respective price points.

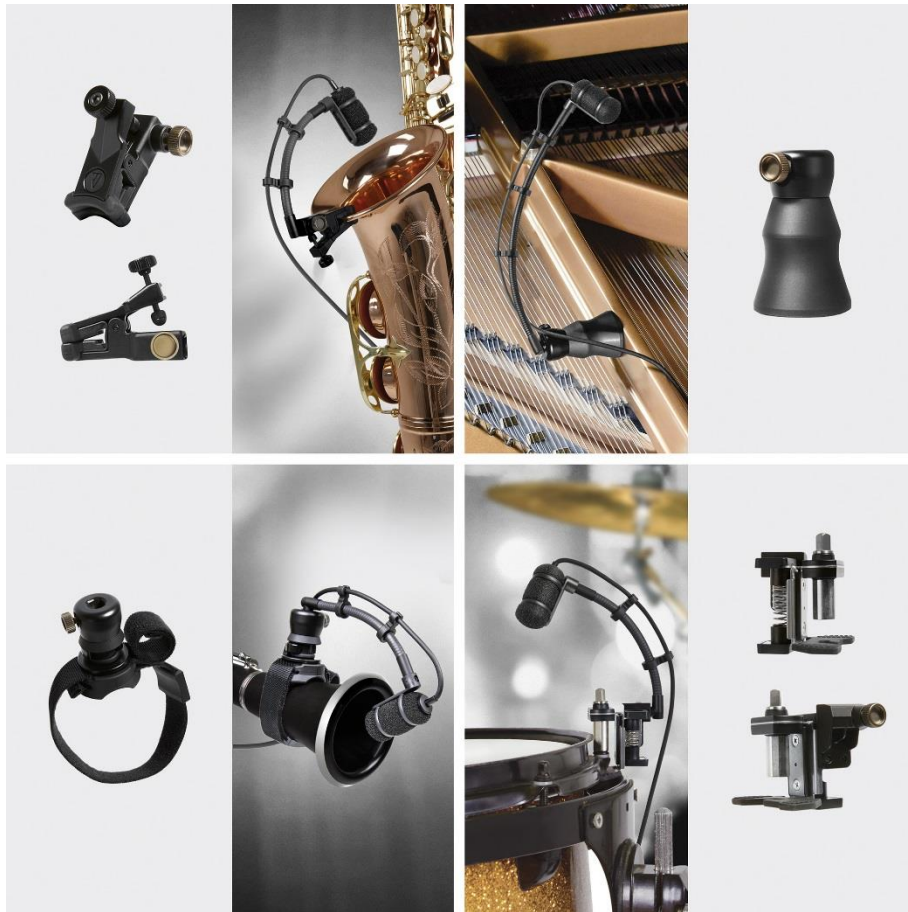

[ATH-DSR9BT/ATH-DSR7BT Pure Digital Drive Headphones](#)

Audio-Technica announces the introduction of its **ATH-DSR9BT** and **ATH-DSR7BT** Wireless Headphones with Pure Digital Drive technology. Both models are the first headphones with Bluetooth wireless technology to employ Audio-Technica's new Pure Digital Drive system, which keeps the audio signal completely digital from source to driver to offer never before-available wireless headphone sound quality.

[In Ear High Quality Live Sound Series Headphones](#)

Audio-Technica is introducing its Live Sound series in-ear headphones, which utilize newly developed multiple-driver designs and additional innovations to deliver clear, powerfully immersive sound. The all-new **ATH-LS400iS**, **ATH-LS300iS**, **ATH-LS200iS**, **ATH-LS70iS** and **ATH-LS50iS** combine true high-performance audio quality with sleek, ultra-compact styling.
