

ELEMENTARY NEW RESOURCES

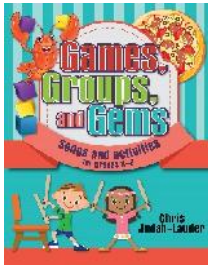

A small sampling of some popular titles featured at this year's

St. John's Music Elementary Reading Sessions:

Arctic Animal Antics

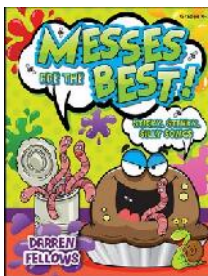

Cool it, friends, and CHILL! It's time for the annual Snow Ball with a talented group of cold climate friends ready to entertain you. Join hearty polar bears who refuse to take a snooze, good natured arctic terns, hi-falutin' penguins dressed to the nines and multi-talented seals who are sure to seal the deal! The Singin' and Swingin' at the K-2 Chorale Series includes easy-to-stage mini-musicals specifically designed for primary-age students. The all-in-one format features piano/vocal arrangements, scripts with 18 short speaking parts, costumes and staging suggestions and audio access to performance/accompaniment recordings, as well as projectable/printable PDFs of melody sheets, lyric sheets and dialog - all under one cover! Songs include: Out in the Cold, Roly Poly Polar Bears, One Good Turn Deserves Another, The Penguin Ball, Seal the Deal! About 20 minutes. Suggested for grades K-2. ITEM#224170 \$67.50

Games Groups and Gems

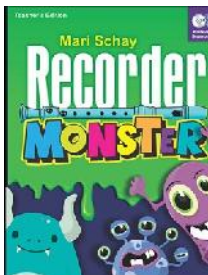

These activities will have your students moving, singing, playing, and learning! Strengthen teacher-student relationships, encourage active participation, and cultivate excitement for learning by teaching through games and groups with this collection of absolute gems. Students learn music skills as well as life skills through giving and receiving feedback and working in collaboration with their classmates to create their own ensemble pieces.

PowerPoint presentations and reproducibles are included on the CD to save you valuable planning time. Item#225711 \$28.95

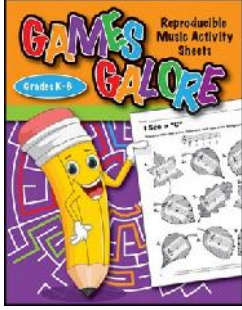

Messes are the Best

This is a collection of humorous songs about all the messes you can imagine. Even your most reluctant young singers will have trouble resisting these songs, which feature worms, mud, baking and meal-time catastrophes and all-around monster-sized messes. Physical and vocal warm-ups are provided to help your students develop their choral voices while having lots of silly fun. Also included are lyric print-outs and student vocal scores. Item#222373 \$28.99

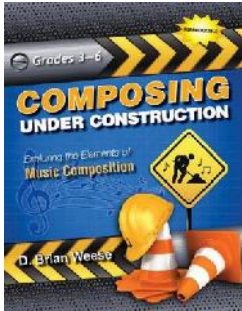

Recorder Monster

Grades 3-6. Step inside a world of silly lyrics, happy monsters, and rigorous music instruction with this fun and easy-to-use recorder curriculum. Each unit begins with a monster-narrated lesson and a "monster mantra" that reinforces the unit's central skill. The teacher book contains printable versions of every poster, monster card, student page, and visual aid you will need. Pre-printed poster packs, trading cards, student books, and an interactive software package are available separately. Item#225359 \$34.95

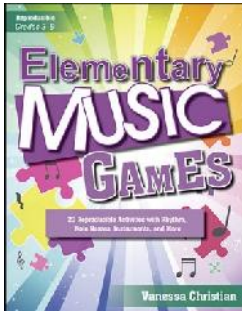

Games Galore

Games Galore is a collection of 27 reproducible music activity sheets (with answer key) for Grades K-6 compiled by Erika Popp. Topics include: Notes and Their Pitch Names (6 activities); Rhythm (6 activities); Music Vocabulary (5 activities); Instruments (10 activities) Item#223443 \$20.25

Composing Under Construction

The national music standards have a renewed emphasis on Creating, and here is a resource that can help you help your students begin their exploration. This reproducible book covers notation practice, melodic direction, and rhythmic and melodic composition. It walks students through the beginning processes of imagining, planning, and making their own musical composition. Item#225099 \$27.95

Elementary Music Games

Reproducible activity book with lots of fun activities that are easy to copy and go. The focus is on rhythms, note names, dynamics, and music vocabulary through word searches, matching, rhythm math, scavenger hunts and more. Great for substitute teachers! Item#225361 \$21.50
