

## New Products at NAMM 2018

### **BACH STRADIVARIUS CENTENNIAL TRUMPET**

(190S43W2)

*“The New York #43 Centennial model is a must for collectors or players looking for a trumpet that provides a quick response, ease of play, and a large core sound with a lot of color.”*

~ Jeff Christiana, Conn-Selmer, Product Development Manager

### **BACH STRADIVARIUS CENTENNIAL TROMBONE**

(42BOF AND LT42BOFG)

*“This is the most responsive valve on a Bach trombone that I have ever played, and I’m very excited about this new addition to the Bach trombone line.”*

~ Jay Friedman, Principal Trombonist, Chicago Symphony Orchestra
