135th Anniversary of the Gretsch Sound

Anniversary Drum Sets and Snare

Drum Set - Designed by Gretsch master drum builder, Paul Cooper, the 135th drum set features a Broadcaster series shell with Exotic Ribbon Mahogany outer ply, finished in either Dark Emerald or Classic Mahogany nitrocellulose gloss lacquer. Single-flange 301 hoops with vintage-style claw hooks complete the retro look and add to its signature tonality. (Limited Editions available in Classic Mahogany or Dark Emerald)

Commemorative Snare - For those who want to mark the occasion by adding to their prized snare collection, Gretsch offers the 135th snare drum. Each 5" x 14" 8-lug solid aluminum shell is hand engraved by master engraver Eric Sooy and assembled with 301 single flange hoops with mini-claw hooks, Lightning Throw-Off and snap-in key holder and custom REMO USA-made Permatone heads. A limited edition deluxe carrying case is included with the drum. Limited to 135 units.
