[SLG200NW](#)

SLG200NW offers real classical guitar experience with conventional classical guitar neck construction. Warm and rich plugged-in sound by the SRT Powered system, ebony fingerboard for tight and clear acoustic sound, gold baseplates on the tuning machines for the taste of high-end... Both sound and appearance tops the series.

Transacoustic LL-TA/LS-TA

Released earlier in 2016.

Playing guitar in a great sounding room is the most inspiring, engaging playing experience imaginable – far more enjoyable than in a dry-sounding room like a lounge, office or den. Yamaha's TransAcoustic Guitar recreates the incredible experience of playing in a rich, live room without needing any external amplification or effects – just the guitar itself. Whether you're practicing, writing, recording or just playing for fun, the TransAcoustic Guitar will make you play better, longer and with more creativity. Once you've experienced it, you'll never want to play another acoustic guitar again.
